Subject:- Cover Letter for the Student Visa application at KEDGE Business School, MSc International Business (Sep 2024)

Dear Embassy,

I have been accepted by one of the most prestigious B schools, KEDGE Business School in France, for MSc International Business for Fall 2024. I am writing this letter in order to state my motivation for choosing the school, program and the country.

Given my ambition to learn more about business management and explore international skills, network and career opportunities, I had been planning to study abroad. While researching for top regions and schools, I narrowed it down to KEDGE Business School's IB program which is also known as **Masters in International Business** and **Ranks#39** worldwide as per **QS ranking**.

KEDGE is also amongst the **top 10 schools** in France and the top 100 Worldwide. Besides, France is one of the top student destinations and has been one of the favorite destinations for Indian students as well in recent times.

I got accepted in April 2024 and in the process of applying for a visa. I plan to fund my education with a Bank Loan (For which I have received a loan sanction letter, attached hereby) and with the support of my father who is sponsoring me (attached sponsor letter, Bank statement, and 2 Years ITR).
